

Pass Labs XA 200.8

La prestigiosa revista *Tone Audio* ha otorgado premio al mejor producto del año a la etapa de potencia *Pass Labs XA 200.8*

The image shows a silver Pass Labs XA 200.8 amplifier with a glowing blue meter. The meter has 'PASS' and 'XA200.8' printed on it. The amplifier is set against a dark background with a textured surface below. In the top right corner, there is a green 'PUBC' logo with 'TONE Publisher's Choice Award' written below it. Below the logo, the text reads 'Pass XA200.8', '\$44k/pair', and 'passlabs.com'. At the bottom right, there is a quote from Nelson Pass and a short paragraph about the amplifier's performance.

Nelson Pass is fond of saying his amps "sound like tubes without the hassle." The entire XA and XS series amplifiers have an organic, musical quality that will leave you wondering if you need to bother with the bottles anymore.

We've come to depend on the XS200.8s to deliver the goods 24/7, no matter what the speaker load or listening condition.

Their all class-A design does use up a bit of power.
